formation of a bondholders' protective committee, composed of Alvin W Krecht, president of the Equitable Trust Company; D. W. C. Skilton, president of the Phoenix Insurance Company of Hart-of bonds on a fairly liberal scale after havford, and Franklin G. Brown, a member ing been out of the market for a long time. the firm of Redmond & Co.

The Equitable Trust Company is named as depositary for the bonds. The bonds are secured by a first mortgage upon the railroad formerly owned by the Cincinnati, Dayton and Ironton Company, and upon its absorption by the Cincinnati, Hamilton and Dayton Railroad Company became the obligations of the latter company. Since the appointment of a company. Since the appointment of a receiver for the Cincinnati, Hamilton and Dayton suits have been commenced to forecless one or more of its mortgages. The committee has arranged with the Equitable Trust Company of New York to buy all of the November 1 coupons of bonds which are deposited with the trust company on or before December

COUNTING THE CASH FOR TERRY. It's a Long Job, So New Sub-Treasurer Will Watt Until the Senate Meets.

George S. Terry, recently appointed Assistant United States Treasurer in take office until his nomination is sent to the Senate and confirmed. It was intended that he go in on November 23, and the Department's experts have been counting up the cash preparatory to the acceptance of his bond. But if he takes then he will be a recess appointee and it will be necessary to count the cash all over again after confirmation by the Senate. There is some \$274,000,000 in the Sub-Treasury and the work of counting money ordinarily takes about six

Secretary of the Treasury Cortelyou suggested to Mr. Terry that it would avoid confusion if he refrained from taking office until the Senate acted, and Mr. Terry acquiesced at once. It is expected that the appointment will be confirmed second week of December. Mean-Treasurer Treat will remain in

English Firm Buys Oil Barges for Mexi-

can Business. PORT ARTHUR, Texas, Nov. 20 .- S. Pearson & Son. Limited, the British firm of oil producers and refiners who have entered the oil business in Mexico and England in competition with the Standard O.I Company, have purchased a fleet of oil barges here. These barges will ply hetween Coatzacoalcos, Isthmus of Tebauntepec, where the Pearsons' refinery is situated, and European ports.

Abstracts from an alleged interview with (ITY CLAIMS RIGHT TO BOR- paper circulated in Wall Street resterday and were made the reason for an attack on the market by the traders who had been

declined and added to the rapidity of the downward movement. The existence of these stop orders had been known to the traders, and this knowledge was the chief incentive for the attacks so frequently The stop orders constituted an element of weakness, the elimination of which wil insure greater solidity, and many among the more intelligent members of the bull party take the ground that the gain has not cision on the application made to him would mean that the bond sale which has been advertised for Monday would have

strong, although there was no special news to account for its display of strength. It could not be argued that the stock was stimulated for the sake of the influence it ket, for Chesapeake and Ohio has never atthe Cincinnati, Dayfor and Ironton Rail- bull tips came a fact which in some measure road Company has been followed by the explains why those who were vociferous in predicting a rise where not able to give any definite seasons why the price should

In bond circles it was asserted that the

that if a certain manufacturing concern which is among the largest users of the metal in this country were to order at once the supply necessary to take care of the orders at present on its books this buying alone would send the price of copper to 17 cents a pound. Nevertheless the copper stocks have not been strong recently and yester day were among the weakest at the period of greatest weakness in the market the decline in Anaconda and Amalgamated Copper the explanation offered was that fire in one of the shafts had begun to interfere seriously with the operations of the Neversweat and Anaconda mines, but reports on this subject were vague, some hem asserting that no new outbreak had occurred, while others said emphatically that shafts were affected which had not

A very vigorous recovery set in all through the list about the beginning of the last hour and continued until the close, so that charge of the local Sub-Treasury, will not at the end most of the leading stocks were at or near the previous day's closing quotations. It was reported that an active floor trader and an outside bear operator who attained some prominence a year ago were forced to make a quick retreat to cover. There was large buying by houses to trade to decrease is noted in the volume of poisonous gases which are pouring from the well. which generally represent financial interests of the first importance and brokers who had orders to execute on that side said the supply of stock was astonishingly small of the amount of distribution effected during the week.

> A large house which began to buy United States Steel in quantity about the end of the first hour was said to have received orders to buy the stock on a scale, 5,000 shares "every eighth down."

FINANCIAL NOTES.

In connection with the announcement by William Salomon & Co. that the subscription lists for the \$4,000,000 Philippine Railway loan would be closed in advance it is understood that large subscribers to the issue will receive a comparatively small percentage of their subscriptions, probably not more than 25 per cent. Private investors who applied for small amounts will obtain proportionately larger allotments. ments.

More Time to Build Westchester Railroad The application of the New York, Westchester and Boston Railway Company to make such changes in its route as will permit of connections with the New Haven road, as well as to run the new line by the overhead trolley system and for extensions of time in which to complete that part of the work which lies within the city lines, was granted yester-day by the Board of Estimate. The company gets until August, 1911, to finish building its ine from the city boundary to 174th street, and until August, 1913, to complete the construction of the secion from 174th street to the Harlem River

Business Troubles.

A petition in bankruptcy has been filed against Leah, Joseph and Samuel Blumenthal, who compose the firm of I, M. Blumenthal & Sons, jobbers in hosiery and underwear at 48-52 Orchard street. It enthal & Sons, jobbers in hosiery and underwear at 48-52 Orchard street. It was alleged that they are insolvent, made preferential payments and transfers of property amounting to \$10,000, principally merchandise and accounts, and removed a large part of their property. Liabilities are reported to be \$20,000 and assets \$1,500 The business was started twenty-five years ago by I. M. Blumenthal and the sons became partners in December, 1903.

Henry A. Childs, residing at 101 West Seventy-eighth street, in the employ of the American Tobacco Company, has filed a petition in bankruptcy, with liabilities of \$1,489 and assets \$11, consisting of part of three weeks salary which has been garnisheed by Walter E. Delabarre, who got a judgment for \$231 on December 21, 1906.

Mr. Childs has a salary of \$38 a week and the company has retained 10 per cent. weekly on account of the garnishee.

Henry Melville, receiver in bankruptcy for the restaurants of Samuel H. Barron, closed up two of the places yesterday at 6 Hanover street and 19 Beaver street. The other four places at 39 Broad street and 158, 298 and 337 Broadway were kept open as usual and enjoyed their usual patronage.
